Principal's Message

Greetings Mighty Eagles,

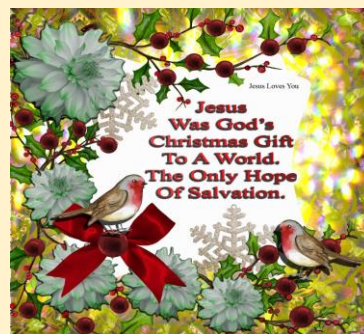

The first semester has almost come to a close. Students are reviewing for nine weeks exams, and we need them to do their very best. We expect to do a lot better than last nine week because we have really worked hard. As we have previously stated, our goal is to become a C or better, but we need your help in ensuring that we reach our goal. This means that our students need to be here daily and on time daily. Remember that students should be here by 7:30 a.m. If they are not here by then, they will be listed as tardy. We also need your assistance in ensuring that your child is focused and ready to learn each day. We can accomplish this by ensuring that they get the proper amount of rest, and by providing the necessary motivation to help them be successful.

That's all for now. Have a Merry Christmas and Happy New Year!

Mr. Young

Mindful Students Workshop 6th Grade

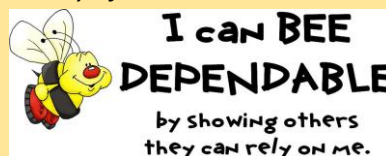

6th grade students participated in the Mindful Student Workshop instructed by Mrs. Gloria Dickerson, founder of We2Gether Creating Changes. Mrs. Dickerson has been teaching these classes to parents and students in the community. The purpose of this workshop is to help the children focus on what is being taught in the classroom. The benefits of being a mindful student includes: better grades, reduce stress, self-control, and respect for others. Mrs. Dickerson will have several meeting with the 6th grade students to get them prepared to become mindful.

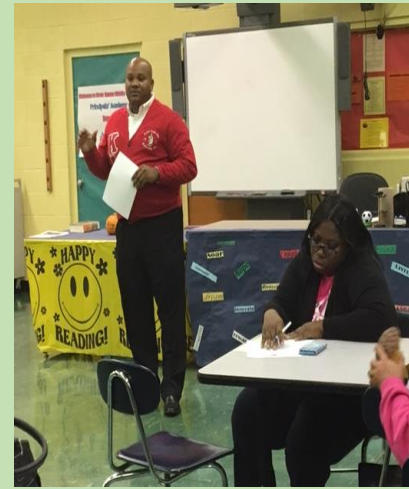

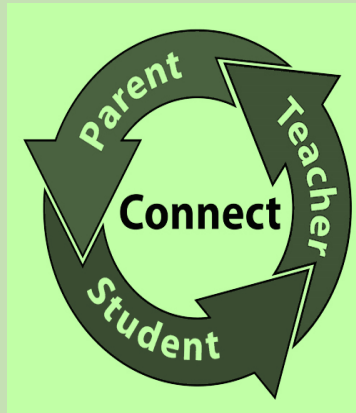

The Character Word of the Month :

ResPonsibility

RESPONSIBILITY: doing what you are expected to do. **BEING DEPENDABLE:** keeping our Promises. **ACCOUNTABLE:** Worthy of one's trust.

Drew Eagles PTO meeting was very informative. Mr. Young encouraged parents to talk to their children about turning in all assignments on time. He explained to parents where our school level is and what we want it to be by the end of the year. Our goal for Drew Hunter Middle is 345=C or higher. Ms. Benford and Mrs. Townsend talked about the importance of attendance everyday.
