MISSION

To Maximize all students' learning experiences by empowering them to achieve their full potential with the help of involved staff, parents, and community.

VISION

"To become a model Middle School that recruits highly qualified staff who prepare students for high school, college, and the community."

OUR MOTTO:

Changing Lives...One Student at a Time.

Believe you can & you will!

"Real education should consist of drawing the goodness and the best out of our own students."

As we approach **Christmas Break**, I would like to thank students, staff, and parents for contributing to the success of Drew Hunter Middle School. We have had an outstanding 1st Benchmark with many opportunities for our students to develop social responsibility and increased student engagement. Thank-you to all of the staff who have made these opportunities possible.

Progress reports were issued before the Thanksgiving Break and we hope that parents have had a chance to discuss their child's progress and any other concerns with teachers. I encourage all parents to stay connected with the school because we know that your involvement has a positive impact on student learning and social well-being.

Our student athletes have had an amazing season and we look forward to a continued successful season. Basketball is at the forefront and we have high hopes for our athletes to continue to push themselves and achieve personal bests while representing our school. Please come out and support our teams and express your gratitude to the commitment of our athletes, as well as the dedication of our coaches.

Finally, I would like to congratulate the students who were recognized for their outstanding academic performance on the 1st Benchmark Assessment.

Best wishes to all families for the upcoming **Christmas Break** – it is a great time to be an Eagle!
