Your challenge was to DECREASE these numbers by the time report cards were issued, and you did it. Good job; however, there is still work left to be done!

With spring comes pollen and with pollen comes allergies. Please take care of yourselves, especially if you have asthma!

"From the Principal's Desk"

Students,

As you are well aware, you have about a month left to finish preparing for state assessments. I challenge each of you to continue to focus and put forth all effort in the classrooms. Let's show how success is produced at Gentry High School!

Remember, we are only as good as our test scores say we are!
