

# THE RAM'S PAGE

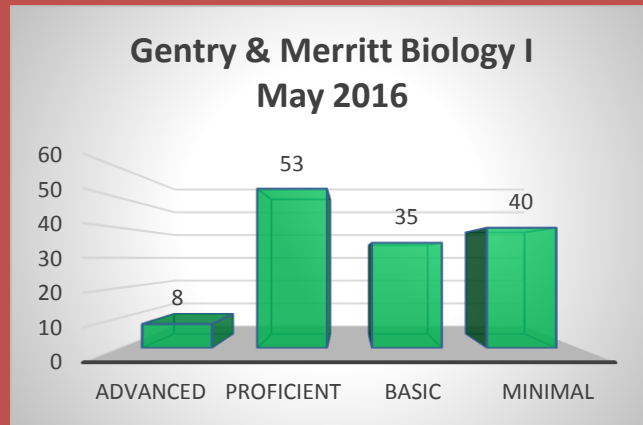

August 2016

School Vision: To prepare ALL students for college or self-sustaining work options by the time they complete high school.

## "The Data Room"

96/150 students passed

85/136 students passed

## "From the Parent Center"

We believe parents are the main influence in children's lives. Our goal is to build a relationship between the family and the school. We invite you to share your ideas, questions, and concerns with us. I am looking forward to working with each of you during this 2016-2017 school year.

~Ms. Beverly Gilmore,  
Parent Liaison

## "Health & Wellness Message"

As we are all aware, August is by far the hottest summer month. Parents and students, please be careful in these extremely hot temperatures. Drink plenty of water and wear light clothing, if you just have to be out. Be sure to check on your pets as well as the elderly near you. Remember, KEEP CALM AND KEEP COOL!

## "From the Principal's Desk"

I would first like to welcome each and every one of you back to a great school year, where we will continue to promote the P.E.A.C.E (Persistently Educating All Children Everyday). In reflecting back on last year, I must admit that there were many challenges faced; but as a TEAM, we made positive things happen. I am very proud of the accomplishments that were made at Gentry High School. I applaud the input of every stakeholder involved! I believe that this year will be even better, and I challenge you to help us make this happen. Thanks for all that you WILL do!

~Mr. Randy Ball,  
Principal
