PLEASE READ!!

First off, welcome back to a new year. I hope each of you have enjoyed the holiday break and is well rested. **This semester, we will strongly focus on preparing our students for the upcoming state assessments; therefore, there will be some changes in the students' schedules for intervention/remediation purposes. Please do not be alarmed by these changes as they will occur in the best interest of the students.** Parents, we strongly encourage each of you to help us in our endeavors. We can only make a difference if we work together! As always thanks for all that you do!
