"From the Principal's Desk"

STUDENTS, we are near the close of the third nine weeks of school, and I must emphasize that we still have work to do. Our top priority from this point forward is preparation for state assessments. This means we expect to see more students in the classrooms actively engaged in instruction and less students in the office receiving discipline.

PARENTS, we ask that you please continue to support us in our endeavors. **TEACHERS**, we will continue to support you every step of the way. Thanking each of you in advance for your hard work and dedication.

~Mr. Randy Ball,
Principal
