Hello Parents,

From The Principal's Desk

Thank you for a wonderful year! Our vision is "Excellence through Achievement in every Field of Endeavor," and the students are making it happen! Our band, choir, sports, and academic teams have performed better than they have in many years, and in some cases, better than ever! We are just as excited about a fabulous finish with our state testing- which begins Monday, May 7th with English II. Then there's the finale, Graduation! Oh boy! This has been a great year and we are anticipating an even greater one next year!

Educationally yours,
Willie Bolden, Principal
