"From the Parent Center"

PTSA plays a vital role in our schools. Here are several reasons why you should join:

- For your child
- Speak up at your child's school
- Watch yourself grow as a volunteer
- Give back to the community

"From the Principal's Desk"

We have completed the first nine weeks of school, and we have reviewed our school's data. We found that a large number of students failed for the first term, and parents we are drastically seeking your support in helping to decrease that number. Please encourage your child to come to school daily, get to all classes on time, and be attentive and actively engaged in the learning activities. Again, thanks for all that you do!
