PARENTS, WE NEED YOUR HELP!

"From the Parent Center"

I believe parents are the main influence in children's lives. My goal is to build a relationship with the child, teacher, and community. My days at GHS are Monday and Tuesday, 7:00am to 3:30pm. You are more than welcome to visit the parent center at that time, and I am looking forward to a great year with each of you.

~Ms. Beverly Gilmore,
Parent Liaison

"Health & Wellness Message"

As the leaves change and the chillier weather sets in across the country, certain illnesses rise to their peak and spread throughout schools and the workplace. Fall kicks off the onset of the "flu season" so please take necessary precautions to avoid catching the flu bug, such as keeping warm, washing your hands, or even getting the flu shot.

"From the Principal's Desk"

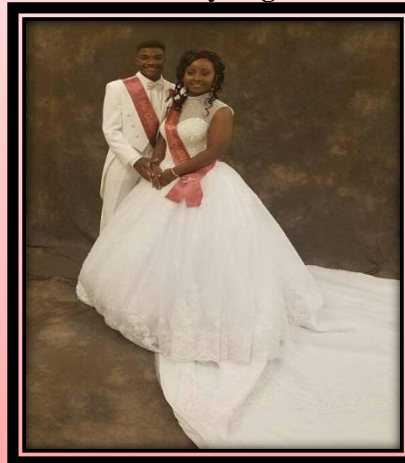

The staff of GHS is contributing great effort to produce ongoing academic success. However, we need your continued support in encouraging the students to come to school daily and get to their classes on time. Also, the students need encouragement to put forth their greatest efforts in the classroom. These are the challenges that we face on a daily basis. Parents, you are the "first teachers", and our actions cannot work without yours. Again, thanks for all that you do!

~Mr. Randy Ball,
Principal
