Readers, AHOY!

Dear Parent/Guardian,

The staff and students at Inverness Elementary School are excited to kick off the school year with our reading incentive program. “Readers, AHOY!” at Inverness Elementary School! We have implemented a pirate theme to encourage students to read extensively at home and in their free time throughout the school year. Our goal is to create lifelong readers.

Grade level teachers will establish reading goals for their students each quarter. Goals could be based on either the number of books, or pages, read each quarter, or the number of Accelerated Reader points. For the youngest students just learning to read, initial goals would be based on the amount of books read to them at home or at school.

We will be acknowledging all students per quarter, for achieving their reading goal. Every student will have their photo on a gold coin. When their goal is met, they will receive a jewel to be added to their coin on the hallway display. Please encourage your children to read at home, read to them and with them, and let them know you value reading as an important life skill and pleasurable activity.

Sincerely,

Inverness Elementary Staff
