## Principal's News

Welcome to the 2014-15 school year!

As the new principal, I wanted to personally welcome you to Inverness Elementary School! I have been with the Sunflower County Consolidated School District for 11 years, serving as a Language Arts teacher, Computer Discovery teacher and Biology teacher.

I am very excited to embark upon a new professional journey as the Principal here at Inverness. I look forward to meeting each of you. If at any time, you have any questions regarding our school, procedures, etc., please don't hesitate to contact me.
