## Principal’s Message

April is a very exciting time of the year. With April comes our end of year testing. As your child’s teacher sends home information please take note of our testing days and make sure that your children get a good night’s sleep, and has a healthy breakfast. We have been working hard to make sure that our students are ready for testing and are excited to celebrate the successes that they have. We have fantastic students here at IES, they brighten our day with their kind words and happy faces.

## Testing

In the month ahead, students in grades 3-8 will be taking the MAP English Language Arts and Mathematics exams. This is a required mandate in the educational process as we take time to gather a snapshot assessment of how well our students are doing. Results are used as an instructional tool for our teachers to help us celebrate our students’ successes and strengthen our areas of weaknesses. It is important that students are present at school during the month of April and May. All appointments should be scheduled in the evening.
