MARCH 2016

BY RYNEKA RICE

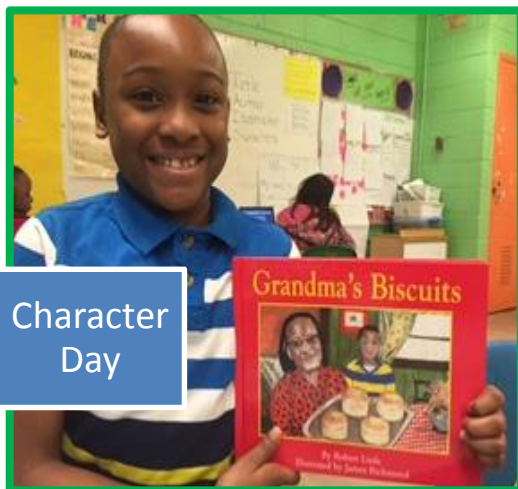

Dr. Seuss Day

Twin Day

## READ ACROSS AMERICA!

*February 29 through March 4, students and staff celebrated reading by celebrating one of America's beloved children's authors, Dr. Seuss. The week was full of events: crazy hair day, twin day, book giveaways and more.*

Character Day

Thing 1 & Thing 2

## CHARACTER COUNTS!

*Each month, our students are given a different character word to portray. The character word this month is KINDNESS. It is the teachers' responsibility to seek the students who are being kind to others. An assembly was held to reward the students who went above and beyond to be thankful, the previous month's character word. During the assembly students also learned about kindness, this month's character focus.*

Character Word

## "I HAVE A DREAM"

*Students at our school put on a beautiful performance at this year's Black History Program. Mrs. Frizell, along with others, worked diligently to make the program the success that it was. The students taught us about some of the events that occurred years ago. We all appreciate our history. Without history, we wouldn't be able to appreciate our future.*

Black History

March 2016

### **Upcoming Events:**

- March 14-18 Spring Break
- March 11 Spring Fling-
- March 25 Good Fri
- March 28 Good Mon
