OPERATION: DO GOOD!

"Thinking good thoughts is not enough, doing good deeds is not enough, seeing others follow your good examples is enough." (*Horton*) Indianola Police Department truly led by example when the organization picked one of our very own to whom it would be a beacon of light. Jaleel Parker was simply speechless.

Dynamic Staff Training

Professional Development keeps our staff informed of best practices and allows them to think critically and creatively in efforts to continue moving our students forward.

When you think of what you have rather than what you have not, you might discover that you really have a lot.
