**Matilda McGee-Summer Project for Second Grade**

Students will be working on a **Book**. This **book** will be called “**What’s in My Room?**”. **First**, students will need to complete the “**What’s in My Room Scavenger Hunt Sheet**”

- (a.) Each student will check everything on the sheet that they find in **their room**.  
(you can not find items in another room- **only your room**)

**Next**, students will **select five (10) items found in their room:**

- (a.) Draw or find pictures in books and magazines.  
(b.) Color, cut and glue pictures to paper (line, lineless, or construction)

**Then**, write your book about all the pictures that you have listed in your book. You may include in your writing anything that you would like us to know about your items.

**Material needed:**

- \* Scavenger Hunt Sheet
- \*Paper (lined/lineless, construction paper)
- \* Pencil
- \*Crayons
- \*Glue
- \*Books/Magazines
- \*Scissors

**Finally**, enjoy your hunt and book writing. Waiting to see **your creations**.

Thanks,

Mrs. McGee
