

School News

August- 2014 Moorhead Middle School

Message from the Principal:

Success is not a matter of luck, but planning and organization. Parents, you can support your student during middle school by checking to make sure that assignments are completed, staying in contact with teachers via email or telephone, and joining PTA. Currently Moorhead Middle School is without a strong PTA. It is consistent support and encouragement of parents that will help us maintain a greater success for all students. Let's work together to make sure the students at Moorhead Middle School are well educated and represented.

I look forward to another successful school year. Please stay involved, and call on your child's teacher, or administrator for any assistance you may need during the 2014-2015 school year.

Dr. Banks
