Principal's Message:

Greetings, parents and community members! Spring testing is near, with the first part of the PARCC assessment open to begin this month. **Please adhere to the test-taking tips below to help ensure your child's success:**

- encourage your child to study hard, remain focused, and put forth his/her best efforts
- ensure your child gets enough sleep the night before the tests and eats a healthy breakfast the day of testing
- ensure your child is on time and/or present for school on the day of testing and maintains a positive attitude about testing

Thanks for all that you do!

~Dr. Latonya R. Johnson,
Principal
