Issue 3

Mission

The mission of the Sunflower County Consolidated School District is to unify our Schools, communities, and parents to successfully educate all students to enable them to compete globally.

Community Project Thanksgiving Food Give Away

Inside this issue:

- Community Project Thanksgiving Food Give-Away 1
- Message to Parents 2
- Serving Homeless Children 3
- Message from the Principal 4

The month of November at Moorhead Middle School was exciting as the Cobras completed their Fall community service project. Students at Moorhead Middle School partnered with the Full Gospel Apostolic church in Indianola to feed three families in Moorhead along with families in Indianola and the surrounding areas. Students learned about giving and enjoyed donating many canned goods and non-perishables to the give away. Full Gospel donated lots of dry goods such as rice, Hamburger Helper, pastas, and etc. The project taught the students how to work with other community groups to help meet the needs of others. The class that brought the most canned goods and non-perishables won a pizza party. Congratulations to 7-B for your unselfish acts of giving and thanks to the parents of these students. Thanks to Full Gospel for assisting our students! We look forward to working with our Moorhead businesses and corporations too.

Highlights

- 7-B donated the most canned goods to the Food Give –Away.
- MMS and Full Gospel fed over 10 families this Thanksgiving holiday.

## Message to Parents

Be a good example. Research shows that human beings learn primarily through modeling. In fact, you can't avoid being an example to your children whether good or bad. Thus being

a good example is probably your most important job. What you model or the way you act will almost always be shown in your child. Please come visit the parent center, room 14,

Tuesdays, Thursdays or Friday, Dec. 9<sup>th</sup> from 7:30 a.m. to 3:30p.m. Parents help us excel at MMS; we are counting on your support.

## Serving Homeless Children and Youth

The McKinney Vento Act provides certain rights and waives certain requirements for homeless children. No child should be denied an education because of this condition. For more information or

questions contact Emma Cox at 662-246-5680

## From the Principal

November is here and a semester has almost come and gone. We have had many struggles at MMS this school year. Yet, we always maintain our ground. Our vision is simple: **ALL** students will become college and career-ready by experiencing success in academics, behavior, and the use of technology

every day. It is our goal to ensure this vision comes to fruition. Every day our students recite this along with the MMS creed and the Pledge of Allegiance. Change doesn't happen over night. However, with the support of parents, community, and school personnel, change will happen. We believe in every

boy and girl at MMS. So , we're asking the community and every parent of every child to take a leap of faith and believe in the children at MMS. Help us help your child be successful!

## Important Dates to Remember

Dec. 8- Mom’s Magical Morning

Dec. 14- PTA Meeting

Dec. 12-20– 2nd Nine Weeks Exam

Dec. 21- Christmas Break Begins (Students dismissed at 1 p.m.)
