

COBRA TIMES

A Look At September Events

The month of September brought us Open House, Title I meeting, Accelerated Reader Kickoff, Star Reading and Star Math testing, and many more events. It also brought us two new employees to Moorhead Middle School. We welcome Mr. James Gibson, In School Detention assistant, Mrs. Kathryn Thompson who will serve as our new exceptional education teacher and Ms. Ebony Watson, our science instructor.

Moving Forward

Now that we have new staff aboard, we look forward to making great leaps in student achievement and behavior. Our eighth graders will take the science state exam at the end of the year. One of our goals is to increase these scores. We are declaring this to be a year of excellence in science as well as a year of excellence in our math and language test scores.

Accelerated Reader Kickoff

We remember the days when we turned excitement up a notch because we could dress up in a favorite character outfit. For students, attending school each day may be fulfilling. But it becomes more exhilarating when students are allowed to add their own flavor to their day. That's what happened when students participated in the Accelerated Reader Kickoff on "Dress like your favorite book character" day. As you can see, the picture speaks for itself. Students were all smiles because the books they enjoy reading were brought to life.

Meet Mr. & Miss Moorhead Middle School

Albernicia Brown and David Windfield proudly represented Moorhead Middle School in the 2015 Coronation held at Gentry High School. Both are 8th graders.

Representing school queens were:

Miss 8th Grade- Ashley Briscoe escorted by Eric Briscoe

Miss 7th Grade: Alaysia White

Miss 6th Grade: Asyiah Jennings

We are proud of each student who represented the mighty Cobra family. Thanks parents for a job well done!

Mr. & Miss Moorhead Middle School
