"Equitable Education for Every Student"

Principal's Message

At Robert L. Merritt Jr. High School, we are making great progress with educating your child. We give bi weekly assessments to better track the performance of each student. We are very intentional about making sure that your child receives a quality education from Merritt Jr. High. Please support us by ensuring that your child is completing all homework assignments and are prepared for class. We recognized more than 100 students during the 1st 9 weeks for their academic achievement and we want to increase that number the next time around. We will be out of school on November 19-23 in observance of Thanksgiving Holiday. In December we are preparing to end this half of the year with academic excellence for our students. We are also preparing for a Christmas Musical and your presence is needed. As always, we thank you for allowing us to educate your child/children. GO RAMS!
