Happy Holidays,

The Christmas holiday is vastly approaching. It is hard to believe it is already December. I would like to take this opportunity to thank all parents for your continued support. We value our partnership with you and look forward to a continued relationship throughout the remainder of the school year.

Shortly after we return from the holiday break, your child will receive their 2nd nine weeks report card. Please discuss each grade with your child so you can continue to be a support as we strive for academic success.

I wish you and your family a very happy holiday season.

Latasha Carroll, Principal

School Memories...

Dr. Leticia Edwin Counselor's Corner

The holiday season is upon us. The next few weeks will be filled with many fun activities for our students and their families. This time of the year can be demanding for students because they need to find a balance between holiday preparation and school work to finish the semester. Our teachers, counselor, and other school staff are here to provide resources to support you and your children. The cooler weather brings anticipation of the holiday season right around the corner! The leaves change color, pumpkin spice lingers in the air, and hot cocoa by a warm fire gives a sense of comfort. Before the hustle and bustle sets in, consider the ways in which God has blessed you and your family in 2019.

Putting Character Education skills to Practice! P.E./Counseling

Teams competed in cup stacking/relay race. The students had to use teamwork skills learned in character ed. to work together. One at a time the students had to run to crate get three cups, then run back to create structure as high as possible. Gross motor skills/ Fine motor skills/ Team building all in one!

Librarian's Corner

Extra!Extra! Read All About It! Library News!

RCES has some exciting things happening in the library. We have implemented a new Reading Program called **myON** which is a digital library on the internet that students can access from home. This digital library has over 11,000 books that are accessible to students. The books are categorized by reading levels and different genres. Students may read from a larger selection of books that interest them. It is recommended that students read 20 minutes daily. Encourage your child to read daily. Reading is fun!

RIF Distribution

On December 10th our students will receive books from our RIF Distribution and take pictures with Santa. Each student will receive books to take home for their reading pleasure.

Spelling Bee

Our RCES Spelling Bee will be held on December 9th at 9am in the cafeteria. Parents, you are welcome to attend.

Letter to Santa!

Dear Santa, This year, please give me a fat bank account and a slim body. Please don't mix those two up like you did last year. Thanks.
