RCES Vision: ALL students will grow at least one level in ELA and Math.

Dear Students and Families:

Welcome to the 2018-2019 school year! Our commitment at Ruleville Central Elementary School is to provide a safe, positive, intellectual learning environment that will empower students to become creative problem solvers, critical thinkers, proficient readers, productive citizens and lifelong learners.

As I enter my 3rd year as Principal of Ruleville Central Elementary, I have set high expectations for our students in regards to academic performance within the classroom, as well as responsible citizens at school and in the community. I am asking each student to make a commitment of having TIGER PRIDE by being active participants in their learning.

I am asking all parents and stakeholders to make a commitment to education. With all of us working together, RCES will have a successful and productive school year. Ruleville Central Elementary School will continue to work with students, parents, and the community to create a strong partnership, strong sense of school pride, mutual respect and appreciation for each other. This cooperation will ensure a successful partnership between parents, students, teachers and community members.

I am excited for the opportunity to serve another year as Principal of Ruleville Central Elementary School and I am eager to work with each of you and I am looking forward to an exciting and prosperous school year.

COUNSELOR'S CORNER

Greetings Tiger Families!

I would like to take this opportunity to welcome everyone! My name is Dr. Lutoya Earvin and I am the School Counselor. I am so excited to be part of the Ruleville Central Elementary family; it is a close-knit and welcoming community, I feel very lucky to be part of it! What I love most about the elementary level is the genuine curiosity students have in their learning and the world around them, as well as the opportunity for early intervention support that can have a lifetime positive impact on a child.

As a School Counselor, my primary responsibility is to promote the academic, career, and social/emotional development of all students. It is never too early for children to be exposed to the opportunities their futures will hold! I look forward to offering support to the students, staff, families, and community. I will be meeting with students individually, in small groups, meeting with parents, collaborating with teachers and staff. As your counselor I will be consulting with community organizations to benefit and meet the needs of all Ruleville Central Elementary students. I am here to advocate for all students. If you ever have any questions or concerns, or do not wish to have your child participate in these school counseling services, please do not hesitate to call (662) 756-4276 or email me learvin@sunflower.k12.ms.us at any time.

I am so excited to work with your children and get to know you throughout the school year!

All the best,
Dr. Lutoya Earvin
K-5 School Counselor

Greetings Parents!

Here we are into the 2018-2019 school year. Let's kick off this year with encouraging our students to read daily for 25 minutes. Practicing to read daily will increase your child's comprehension level and cause him/her to develop a love for reading. Developing reading skills is a very important skill which is used in every subject area. Read aloud to your child every day or allow your child to read aloud to you. Learning to read takes practice, more practice than a child gets during the school day. Make reading at home a fun experience! It's a sharing time for both of you. Help us to make your child a life-long reader.
