Vision: To meet the needs of all students educationally, emotionally, and socially to become successful citizens to compete globally.

From the Principal's Desk

Parents, I appreciate all of your efforts in helping us to educate your children. Education is a partnership between home and school and we must work together in order to be successful. We are now in our third nine weeks and assessments have been completed and analyzed. Interventions and teaching strategies have been put in place to assure that our students who have not met benchmark goals meet them. I want to encourage each of you to send your children to school every day and on time. Learning can't take place if students are not at school.

Great things are going on at RCES and our doors are always open to be of assistance to you. Thank you for allowing us to teach your children.

Latasha Carroll, Principal

for the month of December!*

RCES Teacher of the Year

My name is Robin Turner-Powell and I am honored and humbled that I have been selected for Teacher of the Year at Ruleville Central Elementary School. I am the wife of Mr. Ocevelt Powell of Webb, Mississippi and the mother of two adorable sons Aladonte and Marquel Powell.

I wanted to become a teacher because I enjoy serving others, and I have a special gift with children. Teaching is so rewarding and gives me a sense that I am making the world a better place one student at a time. I earned a Bachelor Degree in Early Childhood from Mississippi Valley State University in

Itta Bena Mississippi.

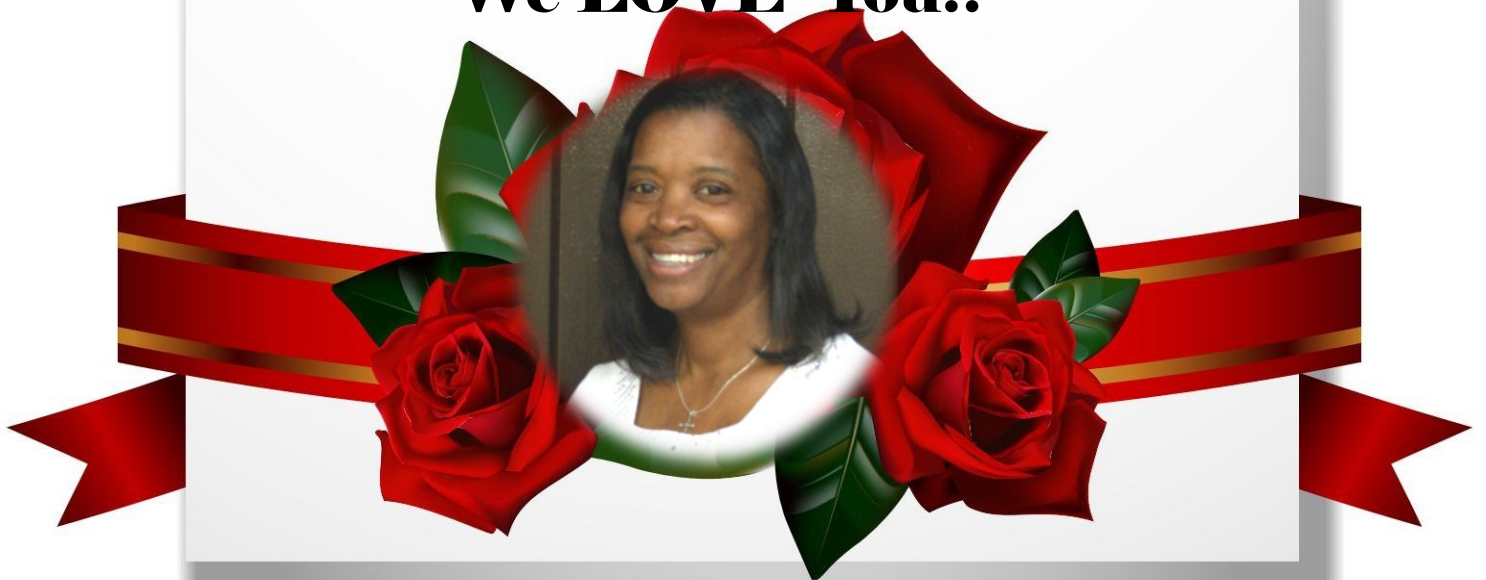

In 1990 I served in different capacities at Ruleville Central Elementary beginning as a teacher assistant and later as the Parent Liaison. I began my first year teaching at RCES as a Kindergarten teacher in August of 2014.

I am an active member in this community and serves as the Girl Scout leader at RCES and the choir president at William Chapel Missionary Baptist Church.

My teaching philosophy is very simple. Students do not care how much you know, until they know how much you care. Teaching at a Title I school where poverty rate is very low and students are on a free lunch program, caring is what they need first and after they know I care then they open their hearts and mind and I can teach them. I show how I care by first forming relationships with my parents and then with my students by trying to help them find their dreams and strengths so they can believe in themselves the way I believe in them. Both way they are our future and they have unlimited value. I look forward to many more years of teaching at Ruleville Central Elementary.

CONGRATULATIONS Mrs. Powell!!

We LOVE You!!
