RCES Vision: ALL students will grow at least one level in ELA and Math.

THE PRINCIPAL

Let's Talk!!!!

The 2017-2018 school year is off to a terrific start! Our students returned to school ready to learn and make good choices as they go through the school day. We are focused on Positive Behavior at our school this year as rules and daily procedures have been identified and taught to all students.

We are excited about the possibilities of this school year and we trust that parents will continue to provide support to help us remain SUCCESSFUL in all our efforts. I am asking all parents and stakeholders to make a commitment to education. With all of us working together, RCES will have a successful and productive school year. Ruleville Central Elementary School will continue to work with students, parents, and the community to create a strong partner.

ship, strong sense of school pride, mutual respect and appreciation for each other. This cooperation will ensure a successful partnership between parents, students, teachers and community members.

Educationally yours,

Latasha Carroll, Principal

D. Eutopa Eanim Welcome to the School Counselor's Corner

Responsibility is demonstrated when students make choices and take actions which lead them toward their educational goals. Responsible students take ownership of their actions by exhibiting the following behaviors. They demonstrate academic integrity and honesty.

Character Trait Responsibility

What is responsibility? It is being accountable for what you do, for your actions and behavior. Responsibility is doing the right thing at the right time, so others can trust and depend on you.

Ways we can show Responsibility at our school!

1. Complete your homework and chores on time without being reminded.

2. Follow through on your commitments, even when you don't feel like it.

3. Accept responsibility for your mistakes and learn from them. Don't make excuses or blame others.

4. Take care of your things and those of other people. Return items you borrow.

5. Find out what needs to be done and do it.

6. Make wise choices, such as choosing to eat healthy foods and wearing a helmet.

7. Always do your very best. Others are counting on you!

"We are made wise not by the recollection of our past, but by the responsibility for our future" George Shaw

School Expectations

Good Evening Parents,

Here we go again! It's time to prepare for the 2018-2019 RCES Reading Fair. Reading Fair Guidelines will be sent home with students on October 10th. Reading Fair boards will be purchased by the school and distributed to the students. On October 24th our Family Reading Night will take place in the library from 5pm to 6pm. I will demonstrate how to prepare the Reading Fair boards and answer any questions if needed.

I am grateful for the opportunity to take some of our 3rd through 5th grade students to a Matinee Series at Delta State University on October 10th at the Bologna Performing Arts Center. The students will see a production by Dallas Children's Theatre "Diary of a Worm, a Spider, and a Fly" and student's will be given a copy of the book. We are doing great things at RCES to enrich the lives of our students. Thanks for your continued support and all that you do!
