Hello Parents,

**The 2019-2020 school year is off to a terrific start! Our students returned to school ready to learn and make good choices as they go through the school day. We are excited about the possibilities of this school year and we trust that parents will continue to provide support in all our efforts. I am elated to inform all parents and stakeholders that we at Thomas E. Edwards High School have made history. With all of us working together, TEHS is rated a C school. Yes, we are a successful and productive school. Thomas E. Edwards High School will continue to work with students, parents, and the community to create a strong partnership, strong sense of school pride, mutual respect and appreciation for each other. This cooperation will ensure a successful partnership between parents, students, teachers and community members.**
