Parents,

Due to current events and the inability to meet with our students and/or parents face to face to address scheduling for the upcoming school year, Eupora High School (EHS) is providing the 2020-2021 Course Selection Sheets for grades 6—12 for students and parents to view on Friday, April 24<sup>th</sup>. Once completed, Course Selection Sheets can be either mailed to the school or can be emailed to the school counselor, Mr. Austin at [saustin@webstercountyschools.org](mailto:saustin@webstercountyschools.org), or to the principal, Mr. Dillinger at [adillinger@webstercountyschools.org](mailto:adillinger@webstercountyschools.org). We are aware that parents and students may have questions regarding scheduling, so please feel free to contact Mr. Austin if you have any questions or concerns via email as listed above or by phone at (662) 258-4043 ext. 14.
