

WCCA

FIELD DAY 2014

Saturday, March 29

ALL YOU NEED IS
L  **LOVE**

*WCCA's 42nd Year Tribute
to a Magical Mystery ... Field Day*

Down through the years at Field Day funds have magically been raised. Although it is a mystery, at least to the casual observer, that it happens, repeatedly, year after year, the answer is LOVE. Love for the experiences from child care through 12 grade and everywhere in between. Field Day is such an important tradition at WCCA. Through the generous support of our parents, alumni and patrons at Field Day, WCCA is able to exist as it does and has for the last forty-two years. We thank everyone, whether far or near, for their part in making WCCA such a fundamental part of this community. Please, bring your family and friends to Field Day on Saturday, March 29. We need you all!
