

Vocabulary Websites

- ★  Word central – Merriam-Webster's word central offers kids a student dictionary, daily buzzword, and interactive word games and includes homework help. <http://www.wordcentral.com>
- ★  PBS Kids – another fun way to use PBS kids for learning games. This link focuses on vocabulary. <http://pbskids.org/games/vocabulary/>
- ★  Inside Story Vocabulary – This site uses high-quality photographs to appeal to visual learners. Each flashcard includes the word, an example sentence, and a brief description. http://insidestoryflashcards.com/printable_flashcards/index.php
- ★  Visuwords – An online graphical dictionary that provides definitions and pronunciation like a traditional dictionary but adds a lasso that generates a visual representation of the word. This database has nouns, adjectives, adverbs and verbs, and you can search for the exact word you need. <http://www.visuwords.com/>
- ★  Spelling City – A favorite among elementary students, this site gives students a fun, engaging way to work on their spelling lists and boost their vocabulary. <http://www.spellingcity.com/teachers-overview.html>
- ★  Quizlet – This site includes flashcards, tests, and study games which make learning fun and engaging for students of all ages. There is an Apple & Android Quizlet App to provide a mobile component with expanding their vocabulary. <https://quizlet.com/>
