Criminal Background Checks for School Volunteers

Parents or other family members do not have to have a criminal background check if they plan to participate in school activities with their child. For example, you do not have to have a background check to attend a field trip with your child or eat lunch on campus with your child. You only have to have a background check if you will be working with or supervising students other than your own child in the school setting.

If you want to be a school volunteer as described above please complete this form, have your school principal sign it, and bring the signed copy to the Onslow County Schools Education and Technical Support Center so you can be fingerprinted for a criminal history check. Volunteer fingerprinting is done from 8:30 to 9:30 a.m. on most first and third Wednesdays of each month. Please visit our website at www.onslow.k12.nc.us for a complete schedule. To be fingerprinted, you must have your signed copy of this form with you.
