ACCEPTANCE OF RESPONSIBILITY AND DEVICE USE AGREEMENT

PARENT AGREEMENT

I agree to allow my child to bring his or her personally-owned device (i.e. tablet, netbook, laptop) to [school name] to be used for instructional purposes. I understand that the student named below will be permitted to use the personally-owned device, subject to the conditions described in the following documents:

- Student Responsibility Statement for Personally—Owned Devices
- Internet and the Educational Program (OCS Policy- 3225/7320)
- For more information on these policies, please visit the Onslow County Schools (OCS) website, the [school name] website, or contact your child's school administrator.

I understand that Onslow County Schools (OCS) and [school name] are not responsible for any device or data loss, theft, damage or other associated costs of replacement or repair incurred during the school day or at home as a result of participation in this program.

I understand that OCS uses technological measures such as filtering to promote internet safety. Filtering limits students' ability to access harmful internet sites from any device connected to the OCS network, but only when this equipment is used on OCS property.

I understand that the purpose of allowing my student to use a personally-owned device is to access and enhance the OCS curriculum, and that uses unrelated to the OCS educational program (including but not limited to personal email, downloading of personal games or music, and installing applications) are prohibited on the school network. This policy does not allow students to use cell phones during the instructional day unless deemed appropriate by teachers and/or administrators.

I agree to review the responsible use of personally-owned devices with my student.
