

EARLY RELEASE CONTRACT

I understand and agree to the following:

1. I understand that early release is a privilege, and not my right.
2. I understand that early release may be replaced with a class at any time by a school administrator for any reason.
3. I will wear the Early Release picture ID from the end of 3rd period until I leave campus.
4. If I leave campus during Power Hour, I will check out each day with the Power Hour parking lot attendant. At that time, my name badge will be checked, and I will be released from campus.
5. If I leave campus after Power Hour, I will check out each day with the front office receptionist. At that time, my name badge will be checked, and I will be released from campus.
6. If I want to stay on campus with a teacher for 4th period, I will check in with the front-office, and a school administrator or teacher will escort me to my destination.
7. If I want to leave after staying with a teacher, and school is still in session, I will wait to be escorted out of the building by a school administrator or teacher.
8. I will NEVER be in the hallways of the school after my early release time without an adult escort.
9. I will depart the campus within 5 minutes of my early release time. I understand that I cannot wait more than 5 minutes on a ride, or it will be considered loitering.
10. I understand that the cost of my first ID badge is taken care of by NHS, and replacements will cost \$5.00
11. I will never allow students without early release to ride in my vehicle to leave campus early.
