

MARCH 26, 2018

EC PARENT TRAINING: TRANSITIONS

Transition planning is a partnership involving students with disabilities, their families, school personnel, and the community. The purpose is to help students identify opportunities and experiences during their school years to prepare them for life as an adult.

Key Times of Transition:

- **Age 3 to Pre-K (Early Intervention)**
- **Pre-K to Kindergarten**
- **Elementary to Middle School**
- **Middle School to High School**
- **Graduation Pathways**
- **Post-Secondary Goals**
