

# ARE YOU INTERESTED IN EARNING MONEY?

- Do you want to help support learning and success for students?
- Do you want to be a mentor to 6th - 8th grade students?

## THEN CONSIDER BEING AN AVID TUTOR AT SOUTHWEST MIDDLE SCHOOL!

What is AVID?

AVID (Advancement Via Individual Determination) is a program to close the achievement gap by preparing all students for college readiness and success in a global society.

AVID classes help prepare the students for college and success in life by teaching them study and organizational skills.

A BIG component of AVID is the tutoring program. College students are hired to serve as facilitators in student tutoring groups and mentors to the AVID students.
