Watch D.O.G.S. is an innovative program being used by schools across America which helps them to be positively impacted by the committed involvement of the fathers and father-figures in their student's life. Our goal is to have you spend at least one day this year at the school to be a positive male role model and to provide an extra set of eyes and ears for our school. Dads, Granddads, Uncles, step-dads and adult brothers ... this is your chance to have a night out with your student in a fun relaxing atmosphere at school.

Please return the form below ASAP so we can get an accurate head count. Mark your calendars for Thursday, September 28th @ 6:00pm. We will send out a reminder the day of the event in case you forget.

Sincerely

Robert Montcrieff, Top Dog
