Color Conduct Chart

GREEN: GO ZONE

All students start on green with a clean slate each day in each class period.

BLUE: REMINDER ZONE

Student gets a verbal reminder to stop inappropriate behavior and get on task

YELLOW: CAUTION ZONE

This is a separate area within the classroom. Student is sent here for a short period of time and parents will be contacted.

RED: NO ZONE

Students are sent to the NO ZONE in the ISS room where they will fill out a reflection form and remain for the duration of the period; After School Detention is assigned for the following week

All students begin in the Green Zone each day and in each class period.

Positive Behavior Intervention and Support

In order to maintain a classroom community that is safe and conducive to learning, it is essential that all students exhibit responsible behavior. The behavior support plan at TMS is designed to support students as they learn to make appropriate, responsible choices. The Positive Behavior Intervention Support (PBIS) Program is monitored through the Color Conduct Chart (left) and tracked on student tracking charts (on back) that students should keep with them throughout the school day. Students will receive a stamp on their card for minor misbehaviors and will be awarded tickets as an acknowledgement of positive behavior. Tickets may be entered into weekly drawings or saved to be redeemed for prizes every two weeks, starting September 26. We look forward to a great year!

DOES YOUR TEACHER ROCK???

PBIS sponsors Trexler's Teacher of the Month! Nominate your teacher by filling out a form in the cafeteria!

Attention Parents: If your business would like to donate to the Teacher of the Month prize pack, please let Mrs. Strobe know
