## **2 HOUR POWER PLEDGE**

Dear Parents,

If we can get every Archdale Elementary parent to commit Just 2 Hours to helping out, we can do amazing things for our kids and our school.

We've started using a program called 2 Hour Power that emphasizes that all help, any help makes a huge difference for schools. The research is so clear - kids at schools with broad base of involved parents perform markedly better on all kinds of key school measures.

**We'd love your 2 hours, and --Really! We Promise! --there's no obligation beyond helping out in this small, but important way. If you'd like to do more -- great, but we know that's not a fit for everyone.**

Together, we can make a huge difference at our school!!

Thanking you in advance,

Archdale Elementary PTO
