

# ATMS Dr. Seuss Day Project

*Our 8th Graders need your help  
For a project that is sweet and funny  
They will soon read to Kindergartners  
So they will need a book or some money!*

*Dr. Seuss Day or Read Across America  
Will happen on Friday, March Two  
We'll visit our five elementary schools  
And we need some support from you!*

*Our students will read their favorite book  
To a kinder at an elementary school  
Our goal is to leave the book that they read  
As a gift that will be really cool!*

*Look in your closets and under your bed  
Children's Books are what we need  
And of course we'll accept your cash donations  
As we aim to inspire all to read.*

**You can drop off any children's books OR cash donations to the front office. The 8<sup>th</sup> graders will give these books to their kindergartner reading buddies!**
