Eastern Randolph High School
PARKING/TRAFFIC INFORMATION

TO: **STUDENTS and PARENTS**

All students who wish to operate and/or park on the school campus must register their vehicle(s) and pay the parking fee as set by the Randolph County Board of Education. They also must agree to follow all rules and regulations set by the school administration in providing for the safe and orderly operation of the school concerning all vehicular and pedestrian movement.

Upon completion of the vehicular registration, the student operator must properly display the appropriate school parking permit at all times. He/she must park in their assigned space only. Report lost/misplaced tags or a change/temporary vehicle to the office immediately upon arrival.

Upon arrival at school, students are to leave their vehicle immediately and return to the parking lot only after dismissal from school. The parking lots are for parking and traffic control. Students are not to congregate in the parking lot before or after school. The parking lot is off limits during the school day and students must have permission from administration or the SRO prior to returning to their cars during the school day.

Students who fail to abide by the rules and regulations provided under this policy; are excessively tardy to classes; and/or who operate their vehicles in an unsafe manner will be subject to disciplinary action as deemed appropriate by the school administration. This may include but is not limited to a parking ticket which imposes a $10.00 fine or loss of operating/parking privileges. The Randolph County Board of Education policy authorizes towing vehicles which are parked in undesignated or unauthorized areas.

The parking permit fee is $25.00. The Early graduate permit fee is $12.50 (schedule must be provided at the time of the application.)

……

BOTH STUDENT AND PARENT are required to sign this parking permit request. This is to signify that both the student and parent understand and agree to abide by the parking and safety rules while on campus.
