

WILDCAT BOOSTER BIZ

ERHS ATHLETIC BOOSTER CLUB NEWSLETTER

JULY 2018

A BIG THANK YOU!

To all who attended our July 23 meeting!

It was great to see everybody! Hope all in our Wildcat Community are having a great summer. The ERHS Athletic Booster Club has been busy! We provide financial supplement to the Athletic Program for purchase of uniforms, equipment and supplies, as needed. A few contributions we have made recently:

- Scoreboards for the softball and baseball fields
- New banners for the gym
- New uniforms for football, soccer, and volleyball
- Student Athlete Scholarship Awards
- Football Helmet Refurbishment

These are only a few of the many contributions that have been made, through the tireless efforts of Booster Clubs past and present. Without the dedication and support of our volunteers, sponsors, donors, local businesses, and community members we would not have the Athletic Program that we have today. We welcome and appreciate all those who graciously volunteer their time and effort to our organization.
