

**Farmer PTO
Cheerleading Registration**

If your child is interested in cheerleading for basketball games through the Farmer PTO, please fill out this form completely.

Based on coaching availability the past couple years, cheerleading at Farmer will only be offered if we are able to get enough parent volunteers for coaches. Our goal is to have no more than 10 cheerleaders per coach.

Registration cost per student will be determined based on the cost of uniforms (Not to exceed \$80.)
Do not send money with this form; we will collect registration money at first practice.

The child must live in the school district to participate.
