From Mrs. Sheron's Desk

Dear Parents/Guardians,

Here we are at the final full month of school. We have many end of year activities including Teacher Appreciation week, EOG tests, assessments, end of year parties, and much more.

All of our students and teachers have worked hard this year and I am extremely proud of their progress. With the end of the year quickly approaching, we are entering assessment time. Our K-2 teachers will be working on assessing students in reading and math to determine student growth. Our 3rd-5th graders will be taking EOG tests. Thank you for encouraging your child to do their best to show what they know. Your encouragement makes all the difference!

I want to thank you for the opportunity to work with you and your child. It has been a privilege to teach and watch them learn. Thank you for all you have done to help make your child's year a successful one.

Sincerely,
Mrs. Sheron

Yearbooks For Sale

Yearbooks are still on sale! The cost is now \$20.00. Additional yearbooks are \$15.00. Reserve your copy today. Make checks payable to Franklinville School. Cash must be exact. You can also order online at www.balfour.com.

Kindergarten Registration Continues

We need your help. If you know of anyone who lives in Franklinville district and has a child who will be 5 years old on or before August 31, 2018, please ask them to come to the school and register their child for Kindergarten. We need all the students who will be with us in the fall to register so that we can work on lining up classes for the next year.

PTO, Concert, and Transition Night

On May 3rd at 6:00, we will have our last Title I Parent night for the year. First we will have a PTO meeting where we will elect new officers. Then our 2nd graders will be performing a program for us. At 6:30 we will move into Transition Night. You will be meeting teachers at the next grade level to see what life will be like next year. The teachers in the grade above will talk to you about the expectations, curriculum, and things you can do to help your child be successful in the next grade. The teachers have special activities planned that will make this a fun night for all. We will have teachers from the middle school here for our 5th grade students who will be rising 6th graders and our Kindergarten teachers will be here for incoming Kindergarteners. There will be repeat sessions for those of you who have two children here. (6:30-7:00 and 7:05-7:35) Please come join us for this fun filled and informative night.

Teacher Requests

As we begin to think about next year, I know many of you think about a certain teacher for your child. If so, you may make a request, but I ask that you do so in writing and that you **do not name a specific teacher**. Instead, please tell me about your child and his/her personality, learning styles, strengths, weaknesses, etc. and the kind of teacher that works best with him/her. With this information, we can make informed decisions about what would be the best placement for your child. If you plan to submit a letter, please do so by May 31st.

Remember your Teacher on Teacher Appreciation Week

Next week, May 7th-11th is Teacher Appreciation week. Please help us show our teachers and staff how much you appreciate their hard work.

Monday-- Bring your teacher something sweet.

Tuesday-- Bring your teacher something that smells good.

Wednesday-- Make your teacher a card or draw a picture.

Thursday-- Bring your teacher a recipe

Friday-- Bring your teacher school supplies for the classroom

**Summer Daycare**

Time is running out! Sign up for summer camp now! We are currently enrolling for our summer camp program. Please feel free to visit our website for more information or stop by the office for a packet.
