

GOAL 2016-2017: Maximize instructional time → make every minute and every student count

Action steps:

1. Integrate “Goal 2019” into your everyday operations with the anticipation of great results for students
2. Increase school system attendance rate from 95% to 98%
3. Decrease school system suspension rate (OSS) by 10%
4. Visit classrooms at least two (2) hours per day
5. Provide instructional feedback to staff members with regularity
6. Use data when making decisions about instructional and non-instructional issues
7. Increase parent engagement/involvement in school activities

Target result:

Improvement by our school system in all academic areas and extracurricular programs

Year #4 of our “Path to Pride”
