Since the AT Tax Council gave the dale, Archdale, and Trinity elementary schools an extra position, we will have a new specials teacher every 12 weeks. Ms. Royster will be with us until March and then we will get Mr. Barfield to continue teaching music. So your child(ren) should be talking about music for the rest of the year. Ms. Matthews did a great job in art and now she has moved on to Archdale. If you see her, please help to make her as welcome as possible at the dale.

Procedure Update

Cafeteria:

It is required for all students to exhibit respectful and appropriate behavior in the cafeteria. Breakfast is served each day from 7:20-7:40. Breakfast is free for all students. If your child is a car rider then they need to arrive at school by 7:35 in order to eat breakfast. **Breakfast is a silent meal.** Having a silent breakfast enables student to get in and out of our dining room quickly in order for classroom instruction to begin.

We welcome parents to come and have lunch with their child on any day except for early dismissal days. (On these days, our lunch schedule is varied.) Our cafeteria staff prepares delicious and healthy lunches each day so please take advantage of this and enjoy a school lunch when you visit. When you come to eat lunch with your child, we ask that you please observe our cafeteria rule of no talking at the tables for the first 10 minutes. If you choose to eat at the table with your child, then please remain silent during "red cup" time. We also understand that you have taken time out of your day to be with your child, and we want you to continue to do so. That is why we will have a family table setup where you can talk the entire time, even during the "red cup" time. The family table is

Goal 2019 – 75% of RCSS students will be at or above grade level proficiency

there so you can your child can enjoy lunch together as a family. **No friends are allowed at the family table.**

Students who are required to pay for meals are expected to provide payment in a timely manner. Students can prepay for meals on a weekly or monthly basis. They may also choose to pay on a daily basis. On occasion a student may have forgotten lunch money; therefore a student is allowed charges up to a cumulative limit of \$15.00. Once this limit is reached, the school principal reserves the right to withhold specific school privileges as well as withhold the right to purchase snack items in the cafeteria. When a student incurs \$5.00, a letter will be sent to the parent followed by a telephone message, an invoice for the charges and a free/reduced meal application. **Parents/guardians are responsible for all charges.**

Good Evening,

Here's what's happening at the dale this week.

Our can food drive with COAT will continue through this week and next. Please send in non-perishable food items if your family is able. We will be collecting until Dec. 14th.
