Goal 2019 – 75% of RCSS students will be at or above grade level proficiency

The purpose behind the Spring Fling from PTO is to have a night where the dale community comes together and haas fun. Please stay as long as you can and enjoy being around your children, staff and other parents. This is a great chance to build relationships and be part of the parent/ teacher community.

2. If you would like for your child to eat breakfast at the dale, they must be in the cafeteria by 7:35. So please make sure you get to school early or they will be turned away if they are late. We are happy to provide a free breakfast to all of our students, but we need to make sure that they are in class and ready by 7:45. If the bus is late or a daycare van comes in late, we will allow those children to eat.

3. If your child earned a catered lunch pass from the track-a-thon, then they will get their meal on Friday during lunch. We ask that you please write what they would like on the back of their coupon and send it in to the teacher. We will get our meals from McDonald's so feel free to order what they would like.

4. Transition Nights will be for rising 1st - 5th grade students. Parents will be welcome to come and learn about the upcoming grade level, get supply lists, ask questions, and be introduced to the curriculum.
