

Goal 2019 – 75% of RCSS students will be at or above grade level proficiency

Weekly Bulletin

For the week of (September 3rd – 7th)

Enlighten students, Empower families, Enrich the future. Experience the dale!

Week B

Monday 9/3	Labor Day holiday - no school
Tuesday 9/4	
Wednesday 9/5	Student Council Meeting after school - 3:45
Thursday 9/6	Annual Public Meeting/ Curriculum Night 5:30-7:00pm
Friday 9/7	Olweus Presentation and Be the one who kick-off - 9am Jersey Spirit Day - support your favorite team and wear a jersey if you have one. Skate Night 5-7pm at Skate South

- 1. School pictures will be September 18th.**
2. Dropping students off at the dale begins at 7:20 am. If you arrive before then, please wait in the car rider line or PreK line. We have morning day care and safety patrol so there are some kids that get dropped off, but they are allowed because of a duty or morning care.
3. We ask that you please not walk your child to class starting on Tuesday. We will have staff in the halls to help your child get to class. It will be harder for you and them, but they will adjust in a couple of days and they will do great. We will support and care for your child as they learn to walk on their own and transition to walking to class on their own.

Goal 2019 – 75% of RCSS students will be at or above grade level proficiency

4. Car Riders - when you are picking up in the afternoon, please adjust your car so we can load on the passenger side of the car. This is for the safety of your child. The safety patrol will open the door and close it for you once your child is in the car. We ask that you please pull forward and to the side past the car rider line if you need to assist your child with the seatbelt. This will help the car rider line to move faster and get everyone out as soon as possible. We appreciate your support and help in the car rider line.

5. Lunch - it is against board policy for your teacher to stop your child from eating ice cream or cookies for lunch or buying 5 cookies at a time. The only person who can limit what your child eats is the parent or guardian. So if you would like to limit what your child eats during school, please send a letter with specific details as to what you want them to eat. You can send a letter that says no cookies, only ice cream on Fridays, no more than 2 cookies, etc. If you would like to know what your child is eating, please call the school and ask for the cafeteria. They will be able to give you a detail report of what your child bought.

6. There were many forms that went home on meet the teacher night, and we need to make sure they are all returned to the school. Please make sure you have returned all of the paperwork especially the free and reduced lunch forms and the pick up list.

7. Great news! Our partnership with Randolph County Library is still going strong! The program is called Real 2. Real 2 allows your child access to the library online. There is a link on our homepage in every grade level backpack. Students can login using their lunch number (password is birthday (mm/dd) or visit the library and check out books using their student id number (lunch number). Every student in the Randolph County School System is automatically enrolled in this program. If you DO NOT WANT to be enrolled, please call the school and ask for Amy Henderson.

Procedure update:

Snacks in the classroom:

Snacks in the classroom is the decision of the classroom teach. They may allow it or not depending on the time of day they eat lunch. Snacks are permitted as long as they do not disrupt the learning environment and they follow the classroom teacher's guidelines for snacks. Water in a bottle or a container shall be the only drink allowed in the classroom. No soda, drink boxes, juice, or other non-water drinks will be permitted unless there is a medical reason.

Goal 2019 – 75% of RCSS students will be at or above grade level proficiency

Good Evening,

Here's what's happening at the dale this week.

There is no school on Monday to celebrate Labor Day.

Tuesday is our first day where we will ask parents to drop their children off and not walk them to class. We will have adults in the halls to assist students to get to class.

Wednesday, student council will be meeting after school until 3:45.

Thursday is our Annual Public Meeting and Curriculum Night starting at 5:30. This is the night to learn about the grade level expectations, field trips, and what will be coming home each night. We will have two sessions for each grade level. The first session will start at 5:40 and the second session will begin at 6:10. Teachers will be around after to answer any additional questions you may have about their class.

Friday is our first Student Council Spirit day. We are having our Jersey Day. Show support for your favorite team, I'm hoping that will be the panther, and where a jersey if you have one. If you don't then feel free to wear your team's t-shirt or other apparel, except hats.

Friday is our first PTO sponsored skate night at Skate South from 5-7pm.

Here are a few dismissal reminders:

I would like to remind parents that during dismissal, please remain in the car rider line for the safety of all students. Do not park and walk up to the building during dismissal. We will ask you to go back and get in the car rider line.

We would like to ask all parents to pull forward if you need to buckle your child up. We will load them in the car and you can pull forward past the orange cones and pull over so you can get out and buckle up. This will keep the line going smooth and fast. Thank you for your help.

Attached to the email of this announcement is additional information that parents will want to read. The Parent Weekly Bulletin is also on on the dale's web page above the backpacks.

I hope you have a great week.
