Student Parking Regulations and Vehicle Registration

Student parking on campus is a **privilege, not a right**. Your ability to drive onto our campus and park on campus is subject to rules that must be followed.

1. **All automobiles must be registered and display a current parking decal/hanging placard that shows the correct color (one color is for all year while the other color is for half the year) and current school year.**
2. Students must purchase a parking pass within ***the first 10 days***. This pass must be displayed by hanging it from the rear view mirror mounted on the front windshield. If a ***student is banned*** from parking on campus for the duration of the semester, **no refund will be issued.**
3. **Student parking in the staff parking lot is not allowed.**
4. The posted speed limit on campus is **5 mph**. Anyone seen driving excessively above the posted speed limit **will be subject to disciplinary action.**
5. Students must park in a safe manner so as not to block traffic
6. Pedestrians **always** have the right-of-way.
7. Revving of engines, noise from alarms is not permitted. Having loud exhaust pipes is **not an excuse** for the excessive noise when quickly accelerating.
8. **Wilson** has a noise ordinance that states that **any music** which can be heard **50 feet** from the source is **illegal**. As such, the **playing of loud music is not permitted.**
9. Entry into the parking lot is by coming straight down the driveway from Old Stantonsburg Road. Students are **not allowed to drive or park on the grass.**
10. Exit from the parking lot from **2:15 pm - 2:50 pm** will be using the left lane of the circle that goes in front of the school. **Exiting from the entrance is prohibited during the above times.**
11. **If a teacher stops you** and asks your name, **you must** give them your **correct** name without hesitation.
12. Once a student arrives in the morning, **they must leave the vehicle and the parking lot immediately.** Loitering allowed upon arrival is **not permitted.**
13. **In the afternoon**, students **must leave the campus** as soon as **they arrive at their vehicle.** Loitering in the parking lot will not be permitted.
14. When **leaving the parking lot**, use **the inside lane** of the two lanes which run parallel to the parking lot. **Parents picking up students** are the **only people allowed** in the **lane next to the grass** area.
15. **No squalling or spinning of tires**, either **on campus** or **as you leave campus onto Old Stantonsburg Road.** This **includes doing donuts** in the parking lot.
16. **No driving behind the school** - if you need to move to the bus parking lot, you **must do so by exiting the main parking lot and use Old Stantonsburg Road** to access the back parking lot.
17. Parking decal/hanging placard **may not be transferred** from one vehicle to another. In emergency situations one can be temporarily transferred to another vehicle properly registered to the student or student's parents that currently is assigned to that parking pass. They may **not be transferred to another student** for their use or use in their automobile.

The Administration will investigate completely, violations of school rules involving the parking lots and/or automobiles including requiring the student(s) to show the contents of the automobile whenever a school authority has reasonable grounds to believe that illegal or unauthorized materials are contained inside.

I have read these regulations listed on the front of this sheet and agree to abide by them. Any passengers in my vehicle will also be subject to these regulations as well. I agree that failure to follow these guidelines will result in the suspension of my driving and parking privileges for a time frame of 1 day up to the remainder or entire school year.

I agree that if I fail to purchase a parking decal/hanging placard and park in the parking lot without the proper parking permit then I am subject to being towed from the school property to a holding location and I will be responsible for the towing and storage charges of my vehicle.
