Fike - Tarboro Field meet

Cadets from all classes participated in a field meet with Tarboro High School on Nov. 21. The day began with a color guard, followed by an inspection and drill sequence. Cadets then dressed out into PT gear and warmed up for field day events, beginning with a 2 mile relay race. Next, cadets attempted "dizzy bat". After the majority of cadets regained decent visibility, we proceeded with another relay race using pedal cars provided by the National Guard. Overall the meet was successful, and was enjoyed by both schools, and will be hosted by Tarboro next semester.

A big thanks to all parents
