

## PTO Minutes for September 6, 2016

### Attendees:

Steve Ellis-PTO Co-President

Teresa Pope-PTO Co-President

Nic Green-PTO President

Alice Guthrie-PTO Secretary

Dawn Klock

Mr. Eddie Doll-Principal

Teri Pridgen

-Dr. Ellis opened the meeting at 6:50pm

-Minutes from previous meeting were read, approved and received a second motion to accept

-Nic Green presented the Treasurer's Report-report was read, discussed, approved and motion to second the acceptance of the report was made and approved. Green reported that no check has been received from Harris Teeter regarding Hunt's proceeds from parents linking their VIC cards to our school. \*\* So far we have collected \$1560 for the Calling All Warriors Campaign\*\*

### -OLD BUSINESS

1.Freshman Orientation was considered a success and well organized.

2.Mr. Doll will visit the 8<sup>th</sup> graders from Springfield and Forest Hills during the day and meet with parents one evening in the spring.

### -NEW BUSINESS

#### 1. CALLING ALL WARRIORS

- Collected \$1560 so far

- Information is on Hunt's webpage

-Announcement at school could not be made due to the intercom system being broken

-Teresa stated the T-shirt deadline can be pushed a few days back if needed

-The plan is to pass out the T Shirts on the Wednesday or Thursday before the game

-If the deadline for money comes and we have not raised enough money, we will extend the deadline. This would lead to the possibility that the student would not get a T Shirt for the game, therefore Mr. Doll agreed to print colored tickets to allow the student to get out of 4<sup>th</sup> Block early.

-Mr. Doll has already sent out a phone reminder about CAW

## 2. WEBSITE

-PTO now has its own page, which is linked to the CAW page

## 3. BUDGET

-Wilson County Schools has begun to bring back Renaissance every 9 weeks, it is possible PTO will need to assist with this endeavor

-Teacher Birthdays-Teresa reported she is still working to get gift cards instead of providing a lunch for each teacher. Total profit from CAW will need to be considered before deciding on gift cards for teacher birthdays. If gift cards are given, they can be presented closer to the teacher's actual birthday.

-PTO would like to provide snacks at some staff meetings. Perhaps an early release day

## 4. SCHOLARSHIPS

-Possibly have one big scholarship worth \$500

-Staff would help choose the student

## 5. MINI GRANTS

-PTO will look at these after the CAW campaign

Nic mentioned giving each Senior a small gift as a token of remembrance for Graduation. He presented a Challenge Coin as an example

## 6. MR. DOLL

-PBIS (Positive behavior Intervention Plan) is now being implemented throughout Wilson County

-He stated we have had a good start to the school year. 80% of students have chrome books.

-The intercom system is getting fixed

-Open House and Upper Classman Orientation went well.

-There are currently 1367 students at Hunt

-Still looking to fill one Math position and the school will be fully staffed

Dr. Ellis adjourned meeting.

Respectfully Submitted,

Alice Guthrie

PTO Secretary
