Dear Parents/Guardian,

We would like to offer you the opportunity to provide us with feedback on our School Improvement Plan for this school year. Please go to our school website, <http://joneselem.nc.wce.schoolinsites.com/> to view the plan. Once at the Jones School Website, please look on the left-hand side, under the heading Forms, and find the School Comprehensive Report. This is our current School Improvement Plan.

You can also get to our plan by going to <http://www.indistar.org/> and using the **Guest Login Name:** GuestS17651 and **Password:** GuestS17651
The feedback window opens October 30th and closes on November 10th.

We appreciate your input. Please email all feedback to our Principal, Elizabeth Jenkins, at liz.jenkins@wilsonschoolsnc.net or feel free to stop by our main office to view our School Improvement Plan and leave your written feedback with our office staff.

Sincerely,

Elizabeth Jenkins
