Dear Students and Parents,

You have received an electronic (pdf) copy of the Student/Parent Handbook from any school in the SPCS district which your student attends. Each handbook contains a tremendous amount of information regarding each school. Please review this handbook with your student and discuss the contents that you feel are most important. If you have questions regarding this document, please contact your building principal. Students are responsible for the regulations outlined in each handbook within each school.

Please print the student and parent name and sign/date below. Thank you.
